

# PACIFIC INFRASTRUCTURE PIPELINE

The screenshot shows the website's homepage with a dark blue header containing the logo and navigation links: PROJECTS, CONTRACTORS, ABOUT, and CONTACT. Below the header is a hero section with four large, overlapping circular buttons: 'ABOUT >' (light blue), 'FIND PROJECTS >' (yellow), 'CONTACT >' (dark blue), and 'FIND CONTRACTORS >' (orange). Below this is a search and filter interface with two tabs: 'PROSPECTIVE' and 'IN THE PIPELINE'. The search bar includes fields for 'Display' (PROJECTS/PACKAGES), 'Search terms' (e.g., Hydropower), 'Country' (All), and 'Sector' (All). Below these are filters for 'Funding agency', 'Estimated timing', 'Procurement type', and 'Status'. A 'Sectors' section lists Energy, Transport, Social, Water and wastewater, Solid waste, ICT, and Other. At the bottom is a map of the Pacific region with numbered markers (16, 278, 359, 5, 127, 286, 12) indicating project locations.
