Palau Infrastructure Pipeline

26th May 2026

Pacific Infrastructure Business Opportunities Seminar 2026

25-27 MAY 2026 | CROWNE PLAZA HOTEL, NADI, FIJI

Pipeline Focus:

- Energy security & grid stability
- Environmental infrastructure & climate resilience
- Transport asset management
- Donor-funded infrastructure delivered through international tenders

Marketplace Message:

- Palau is seeking experienced regional and international partners to support power, environmental, and transport infrastructure in small-island contexts.

Priority Projects (2026–2027)

Energy & Utilities:

- 6 MW / 6 MWh Grid-forming BESS – ADB funded, international tender (Q4 2026)
- High-speed diesel engines (1–2 MW) – ADB funded, international tender (Q1–Q2 2027)

Environmental & Transport:

- Proper closure & rehabilitation of M-Dock landfill – planning & development (2026–2027)
- National Road Maintenance & Asset Management Plan – technical assistance (future initiative)

Systems & Operations:

- SCADA & transmission protection upgrade – anticipated DFAT funding (Q2–Q3 2027)
- STP Operations & Maintenance contract – 3–5 year term, potential tender 2027

Engagement Notes:

- Opportunities across consultancy, feasibility, systems delivery, construction, and O&M
- Climate resilience & environmental protection are core priorities
- Local participation encouraged; Palau business registration may be required
