# Papua New Guinea Infrastructure Pipeline

## Pacific Infrastructure Business Opportunities Seminar 2026

25-27 MAY 2026 | CROWNE PLAZA HOTEL, NADI, FIJI

Mr. Dominic Kaumu

# Pipeline focus

- Transport corridors, roads, bridges, ports, and aviation
- Water, sanitation, and urban services
- Energy generation, transmission, and electrification
- Health infrastructure and essential services

## Marketplace Message:

- Papua New Guinea hosts the Pacific's largest and most complex infrastructure pipeline, offering sustained opportunities for experienced regional and international partners.

# Pipeline Snapshot

## Scale & Outlook:

- Just over USD 500 million under advanced planning to imminent procurement
- Majority of pipeline activity concentrated in the next two years

## Indicative Sector Split (Next Two Years):

- Transport ~65%
- Water & sanitation ~15%
- Energy & other sectors ~20%

# What PNG Is Signaling to Partners

## Priority Themes:

- Large, multiyear transport and logistics programs
- Urban water and sanitation expansion
- Energy systems and national electrification

## Partner Engagement:

- Strong demand for large-scale contractors and EPC firms
- Ongoing need for engineering, supervision, and advisory services
- Emphasis on long-term partnerships and local delivery capability
