ADB-NHIS Technology Solutions to NCDs and Mental Health

Group Reflections

Learnings from the Field visits

NHIS Senior-friendly Research Center (Wonju)	Seoul Metropolitan Psychological Support Centre (Seoul)	Dr. Diary (Seoul)	Gangnam Public Health Center (Seoul)

ADB-NHIS Technology Solutions to NCDs and Mental Health

Group reflections from peer to peer

Learnings from Korea

What do we hope to learn during this workshop from Korea's systems, innovations and experience?

01

Question

02

Question

03

Question

One Korean innovation we would like to adapt in our country.

Group Report

Most Promising Digital Solution

Biggest barrier to scale

Biggest opportunity for the next 3 -5 years

Key learning priority from Korea
