ADB's Social Protection Vision and Approach

This vision translates into key functions and areas of engagement

Generate evidence → Research & Evaluation

Design policies → Policy & Strategy Development

Implement projects → Implementation Support

Build systems → Digital

Provide specialist expertise → Sector & Thematic Experts

Develop products → Insurance, Financing & Service Innovation

Opportunities for Private-Sector Engagement

- **Policy, Research & Advisory Services**
 - *Social protection specialists, social development experts, economists, public policy advisers, institutional reform experts, governance specialists, and financing experts.*
- **Implementation Support & Capacity Building**
 - *Project managers, technical advisers, capacity-building and training specialists, stakeholder engagement experts, communications professionals, and national coordinators.*
- **Monitoring, Evaluation & Evidence**
 - *Researchers, statisticians, survey specialists, monitoring and evaluation experts, data analysts, impact evaluation specialists, and knowledge management professionals.*

Opportunities for Private-Sector Engagement

- **Digital Solutions & Technology**

- *Specialists in digital transformation, IT systems, software development, data management, digital payments, interoperability, and technology-enabled service delivery.*

- **Climate Resilience & Integrated Solutions**

- *Adaptive social protection specialists, climate adaptation and disaster risk management experts, livelihood and employment specialists, gender and inclusion experts, nutrition specialists, and sector specialists in areas such as agriculture, health, and education.*

- **Product Development & Innovative Financing**

- *Design and development of new insurance products, social insurance programs, financing instruments, and risk-management solutions*
